Descendants of William Appelbee

In addition to William's children shown here, Elizabeth BILCH already had a daughter Elizabeth, born in 1738 and baptised in Hinckley from her first husband Thomas BILCH.
The daughter Elizabeth BLCH went on to marry William WARD in Hinckley in 1760 and they had a family of at least 8 children, including Ann (1763) and Jonathan WARD in 1773. Both John and Elizabeth WARD were witnesses at the marriage of Robert APPELBEE in his will, written in 1830

The mill of Robert APPELBEE, written in 1829, was instrumental in drawing up the Poll Tax, generations of this family tree, as he very helpfully, lists his children and grandchildren but does not out clearly how they were related to him.
